

# Avoid costly electrical failures by performing **Annual Thermographic Inspections** of your Electrical Equipment

Trace Electric recommends an annual thermographic inspection of your electrical equipment as a preventative measure against fire and malfunction. Our thermographic inspections are among the best in the business:

- Large, clear images
- Competitive quotations on essential repairs
- Reduce facility operating costs
- Detailed diagnosis of faults observed
- Reduce equipment failure

Contact us today for a quotation and let us show you why we are NUMBER ONE!
