

IMPORTANT NOTICE

ACCESS TO UNIT FOR TESTING

Attention resident, please be advised management will require access to your unit on the following dates as part of the annual fire alarm testing:

Please ensure that all chain locks, double locks, and alarm systems are turned off to avoid a "no access" situation and possible reinspection charges.

We realize that this testing may be inconvenient however it is required under the Fire Code and is necessary to ensure your continued safety.

If you have any questions please contact the management office.
